# 8.1 Threat: Residential and commercial development

---

**Based on the collated evidence, what is the current assessment of the effectiveness of interventions for managing the impacts of residential and commercial development in shrublands and heathlands?**

**No evidence found  
(no assessment)**

- Remove residential or commercial development
- Maintain/create habitat corridors in developed areas

## **No evidence found (no assessment)**

We have captured no evidence for the following interventions:

- Remove residential or commercial development
- Maintain/create habitat corridors in developed areas.
